FRANCESCA DE VALENCE

Happy Monday,

Ha ha ha... is it even possible to call this a July Newsletter. Hurry up and read it whilst it's still July...

In this wee little email I'll share with you my **BIG** news.

I have a new EP OUT NOW! And there is a concert to celebrate it's existence.

How can I get it? You have 2 options:

#1 - It can be yours in an instant on [iTunes](#). Would you write a review too, whilst you're there? Pretty please...

2 - Or I can sign and snail-mail you a copy [here through PayPal](#) (You will need to download the free PayPal app if purchasing on an iPhone)

Then we celebrate! Come and help me officially launch this baby
