

FRANCESCA DE VALENCE

a musician inspired by all things creative

Dear ,

I'm excited to share that I've been twice shortlisted as a Top 30 Finalist in the Australian Songwriting Awards with my songs [Beautiful Night](#) and [Desire](#). It is an honour to be listed alongside many awesome Aussie songwriters including Kate Cebrano as a finalist in this comp. The winner is announced at the National Songwriting Awards in Sydney next Wednesday so fingers crossed...

The Gift of Art:

As the year is nearing an close, I'd like to say thank you to you for your ongoing support by offering my mailing list followers and friends a special \$10 buy on my ["Things That We Had Said"](#) EP from now until the end of the year. If there are some music lovers you'd like to buy a Christmas or Thank You gift for, give them the gift of locally made music. I'd be happy to personally sign it to them. [Click here to purchase my new EP at the special price.](#)

My Album Project:

A big lesson I'm learning in all this music making, is that new music can only exist if there is a demand for it. A huge and massive thank you to those who have supported my album fund so far with your generous donations. So far I've raised a few thousand dollars. Donations over \$2 are tax deductible and any amount would be greatly appreciated. I've written a letter to you to explain what's involved in making an album. I'd be humbled if you'd read it and consider supporting my album project. [Read my letter here.](#)
